REPORTS.

The following is the report of Captain Barreds

of The Spanish brig " Plocano" whose

vessels was attacked by pirales in this

harbour on 16th Instant between

3 and 4 A. M.

the Consulate and my despatches from my

-Consignee, and immediately went on board

and found the pilot awaiting me, this was

about 6 P. M. I got up sail in order to get

elear of the shipping which I accomplished by

7 P.M. anchoring close by a number of vessels

and particularly near to the Spanish brig

ly afterwards I laid down on a Hen coop

couraged my men not to give way. We then

had a hand to hand fight which hested about

a quarter of an hour terminating with the

flight of the pirates two of which jumped

overboard one into the water and another

into a long but very low sampan

which was alongade and which immediately

we could not fire at them - but we soon dis-

covered the boat for almost immediately after-

fixed from one of them. We at once armed

ourselves thoroughly and placed ourselves so

as to command the whole of the vessel; We

then fired a blank cartridge from our star-

board gun in order to call the attention of the

vessels in port and then we spoke the Timpo.

and informed them of what had happened.

This vessel then fired a blank cartridge. 1

then went to see two of our sailors who had

been wounded and attended to their wounds;

within half an hour we discovered that one of

the Sampans on our port side was making for

the vessel. We called out to them to change

their direction but seeing that they would not

do so we fired a shotted guo at them

at the same time I told our compradore

who was in his boat astern to tell them in

their own language to go away and we told

them the same in English. The Sampan,

notwithstanding, came on and when about 15

yards off us our compradore called out and

told us they were pirates. We continued to

warn them off but it was of no avail. We

then fired our muskets over them which did

was now within 10 yards of us and doing

their utmost to got alongeide we discharged

all our muskets at them which had the de-

sired effect and all the Sampans immediately
